Task 1 :

Below are descriptions of some of the more common post 16 provision options. Read the descriptions carefully. Match up the titles above with the description. Write them into the table.

	You can earn money "earn while you learn" Trained to do a specific job - learning and working the job at the same time. Last up to 2 years
	Very similar to school Same expectations, rules and procedures as school Often wear a uniform Lasts for 2 years
	High quality work experience with an employer Work preparation that could lead to an Apprenticeship English and maths support given Lasts from 3 – 6 months
	Large range of courses Different levels of course More independence Lots of practical subjects (eg. mechanics, child care, public services) Courses last 1 – 2 years
	These are only for young people with an EHCP Help with studying English and maths 1:1 support with work based learning hopefully leading to employment Unpaid – lasts a minimum of 6 months. There are not many of these opportunities available. You may have to travel further.
	Working for at least national minimum wage (£4.55 an hour) Working independently to do a specific job which includes training Full time hours which are approximately 37 hours a week Reportable to the manager, boss, supervisor

Task 2

Pick 2 of the Post 16 options from the table that are most appealing to you. One of these is hopefully the provision you have chosen for when you leave Bower Grove.

Using the information above (or if you have access to the internet you can research) I would like you to list the advantages and disadvantages of both of these provisions for you.

An example has been given below:

Traineeship	Good chance to do more work experience Chance to get better at English and maths Hopefully get an Apprenticeship after	I'm not sure what sort of job I want yet I won't get paid

Option 1
