INFORMATION FOR PARENTS & CARERS OF CHILDREN WITH SPECIAL NEEDS

Welcome to Bower Grove Parent Support. If there is something we can help you with please ask at the next meeting or email: psg.bowergrove@btinternet.com we will do our best to help or signpost you to an agency or organisation.

Whether you are just starting out or a parent/carer of an older child, you are very welcome to join us; family members are very welcome too.

Services you may need to know about:

You may need to know about services to support your family, what to expect by way of good service provision and what to ask for. For example, information about education, social services and leisure and what services may be available. Financial help (for example Disability Living Allowance which is a non means tested allowance) and other benefits you may be able to apply for, please see Benefits section.

Or you may need to know what to do if you suspect your child has Special Educational Needs (SEN). See SEN section.

We provide free information sessions and workshops on Behaviour, Speech and Language, Autistic Spectrum Conditions, Benefits, Services and much more. Please see programme and newsletter on our website.

Please check out our on-line Links and Key SEN information section.

Since I put the Maidstone District Resource Directory together in 2009 some services and contact details have changed; updated information can be found in the on-line links provided.
