

23rd April 2025

Dear Parents and Carers,

Welcome back to term 5 and I hope you all had a lovely break over the Easter holidays.

Thank you very much for your help ensuring your child is in the correct uniform. Our pupils are looking very smart and we are very proud of them. As the weather gets warmer we would like to encourage all pupils to drink plenty of water throughout the day. If your child is bringing a water bottle to school please ensure it is clearly named and in a **plastic** bottle. Remember, **no** fizzy drinks or metal bottles are allowed on the school site.

Parental Governor

We are currently seeking a new parent/carers to join our Governor Team. The role of a Governor is to support the school in making decisions that affect our community. You would join a group of ten other volunteers that meet up 6 times a year to discuss school matters. Please see attached for more information. Should you wish to apply please contact the Headteacher along with the application form by Friday 2nd May 2025.

House Focus Day

Our first House Focus day on the 4 areas of need will be for children in Key Stage 1-3 on Friday 16th May. Pupils will work in house teams and take part in many different activities to support their learning styles. Pupils are able to wear house themed colour clothes for this day.
