Safety In Action – Tuesday 6th June 2023

Dear Parents and Carers,

As part of our Personal Development learning, Year 6 pupils have the exciting opportunity to visit an interactive event in Maidstone, to learn about some of the dangers they may face in the wider world. This is in preparation for their growing independence and transition to secondary school. Pupils will explore both road and rail safety, fire and electrical safety and personal and online safety, amongst other topics.

Pupils will come to school on their usual transport. Once in school and registered, pupils will take school transport and leave at approximately 9:00am, returning to school after lunch, in time for their usual transport home. For more information about the event, please visit www.salugroup.org.uk/service/safety-in-action/.

Pupils are required to be in school uniform, however they should wear trainers as this is an outdoor centre. Please provide your child with a packed lunch in a disposable bag, or alternatively we can order a school packed lunch.

To support this programme, we are asking for parents to make a £5 voluntary contribution towards the cost of the trip and transport. This can be made via Parent Pay/cash/cheque made payable to Bower Grove School.

If you have any questions, then please do not hesitate to contact me.

Yours sincerely,

Miss B Nicholls
