

Thursday 22nd May 2025

Dear Parents / Carers,

What an amazing and busy term we have had and thank you all for your support. As the end of term comes closer on Friday, I wanted to draw your attention to a number of topics:

Attendance matters

Thank you for your help in supporting your child to be in school. We would like to congratulate Hedgehogs and 8L classes who have achieved the highest attendance this term. All pupils in these classes only, will be able to wear non-school uniform on Friday 23rd May. Congratulations!

Half Term Homework Project

Please encourage your child to complete this topic-based project with the theme of raising awareness on mental health which will be emailed to all parents and carers at the end of the week. Pupils who complete projects will receive extra house points. Closure date for projects to be in school is Thursday 5th June.

Pet Therapy in school

I am delighted to update you that we have secured a “Pets as Therapy” intervention with this fabulous charity who are supporting our school. From Term 6, Jane and her dog Lola will be visiting the school for some intervention sessions with pupils. Parents and carers of pupils involved will be contacted prior to the intervention beginning. Please notify the school should your child have any allergies that we are not aware of.

Uniform update

Please can I remind all parents and carers to ensure your child has appropriate named summer uniform ready for term 6. Water bottles are encouraged, particularly as the weather gets warmer, but please do not send metal bottles. We encourage all our parents and carers to take sensible action towards the sun and ensure sunscreen is applied before school and your child has a hat to wear when outside.

Have a lovely half term break and look forward to seeing everyone on Monday 2nd June.

With kind regards,

Mrs M Cleave
Headteacher
