

15th March 2021

Dear Parents/Carers,

It was fabulous to welcome back our pupils and have the school fully operational again. Pupils have settled back to school life quickly, they will continue to receive lots of support for their learning and wellbeing.

Parent Survey

Thank you for completing the online parent survey. This year we had a higher response rate than in previous years with 88 responses which is 38% of parents completing the survey. We had some excellent comments from parents and we thank you for these. Your feedback told us that you would like more information about your child's academic progress in school. We will work towards providing more regular feedback to you. This will be the focus for Parents/Carers Evening on Wednesday 17th March for Years, 5, 6, 10, 11 and Hedgehogs.

Red Nose Day

Friday 19th March is Red Nose Day and this will be a non uniform day. Please bring in £1.00 for Comic Relief.

French Speaking Focus Day

Friday 26th March is our French Speaking Focus day where we will be experiencing Music, Food and Art from all French Speaking Countries around the world. Pupils may wear the colours of the flag their class is representing. At home they can paint their finger nails the colour of their flag if they wish.

Lateral Flow Testing

We will be asking pupils in Key Stage 3 & 4 to take their Lateral Flow Test at home after the Easter break. There will be more information to follow and testing kits will be provided by the school.

With kind regards,

L. Salter
