Dear Parents/Carers,

Hopefully the Government roadmap to recovery will continue on track and we are looking forward to opening our doors again in the very near future.

We are also continuing with our fundraising efforts and here are some things you can get involved with as we await social distancing coming to an end.

500 Miles Challenge

Our 500 mile challenge to raise money for a new mini bus.

500 miles (or 800km) is the distance from Lands End to Bower Grove School via Birmingham. We will be walking the distance at school. How far can you walk?

1,000 metres throughout May, June and July would mean you have walked 92km, which is nearly 60 miles!

Chose a challenge and keep a record of your achievements.

Can you set yourself a challenge, get sponsorship, walk the challenge and help raise money for our new school minibus.

Pupils are encouraged to join our 500 Miles Challenge. Walking can be done at home or in school during Form Time week beginning 17th May. Once walks are completed pupils can submit the distances on the online form or bring in the information with the sponsorship money. These submissions will be displayed on the map until we reach school "500 miles". Whoever submits the distance that crosses each 100 mile mark will get a small prize.

Summer Fair 30th June

We are aiming to hold our Summer Fair on Wednesday 30th June 4.30pm-6.30pm.

There will be a non uniform day on Friday 25th June and we are requesting the children bring in a bottle.

Please **do not** send in items for the fair until requested to do so, but we are hoping to accept contributions soon.

Celebration Day 21st June

With the roadmap permitting, we are intending for this date to be a celebration day in school. Children will be encouraged to wear red, white and blue. A range of fun events are being planned.

Sports Day 14th July

We will be holding our Sports Day on Wednesday 14th July. Primary pupils will be in the morning and Secondary children in the afternoon.

Parents are most welcome to attend.

Your sincerely,

L. Salter
