

27th November 2019

Dear Parent/Carer,

Christmas Activities

Our Christmas fair is on Wednesday 4th December 5pm-7pm. We look forward to seeing you there! However, a few 'extra' reminders.

Friday 29th November is our bottle day. If your child donates a bottle for our bottle stall, they may wear their own clothes on Friday.

We would still like your donations for the Christmas fair. New items, nearly new items and toys are welcome.

There will be a secrets room available on Thursday 5th December. This is when the children can secretly buy presents for their family at £1 a present (max £5 spending). They will need to bring their money on that day.

Once again we are running the Bower Pots stall. If your child has decorated their own pot, please can they bring this in asap.

All primary classes are making a Christmas lantern. There will be a display at the fair. If you wish to purchase your child's lantern please send £1 into your class teacher, marking the envelope "for lantern".

Yours sincerely,

Mrs D Shalders
Assistant Headteacher
