

Accessing OneDrive and Teams on Games Consoles

X Box

1. Plug in a keyboard using a USB port in the X box console
2. Go to my games and apps
3. Find Microsoft Edge and select this
4. Type in Microsoft One Drive and log in as you would do your school one drive account
5. You can then access your work through one drive and use key packages including:
 - a. Word
 - b. Teams
 - c. Power point
 - d. Email
6. To move around you use the controller or plug in a mouse.

Playstation

1. Plug in a keyboard using a USB port in the Playstation console
2. Press the PS logo on the controller
3. Go to library and options for games and apps
4. Go to apps and find the internet browser
5. Type in Microsoft One Drive and log in as you would do your school one drive account
6. You can then access your work through one drive and use key packages including:
 - a. Word
 - b. Teams
 - c. Power point
 - d. Email
7. To move around you use the controller or plug in a mouse.
