

Name:

Zentangles

Zentangle is an easy to learn method of creating beautiful images from repetitive patterns. It is a fascinating new art form that is fun and relaxing. It increases focus and creativity. **Zentangle** provides artistic satisfaction and an increased sense of personal well being.

Aim Higher: Try to shade or colour your zentangle using tonal shading. Tonal shading is a method of shading or colouring going from a dark pressure to a lighter pressure on the page.

In this box here, I would like you to create at least 8 different Zentangles. You may wish to spilt your page into boxes to guide you, you can also work on the back of this sheet. I would like you to colour them using either; colouring pencils or your pencil for tonal shading.
