Year 10 – Bronze Arts Award – Part D – Arts Skill Share

For Part D of your Bronze Arts Award you are required to pass on an arts skill onto others.

Last week you started planning your own skill share by deciding what you think you would like to pass on.

One of the things you need to get is feedback from the pupil/s that you pass on your skill share to.

This can be done by a short survey at the end of the session.

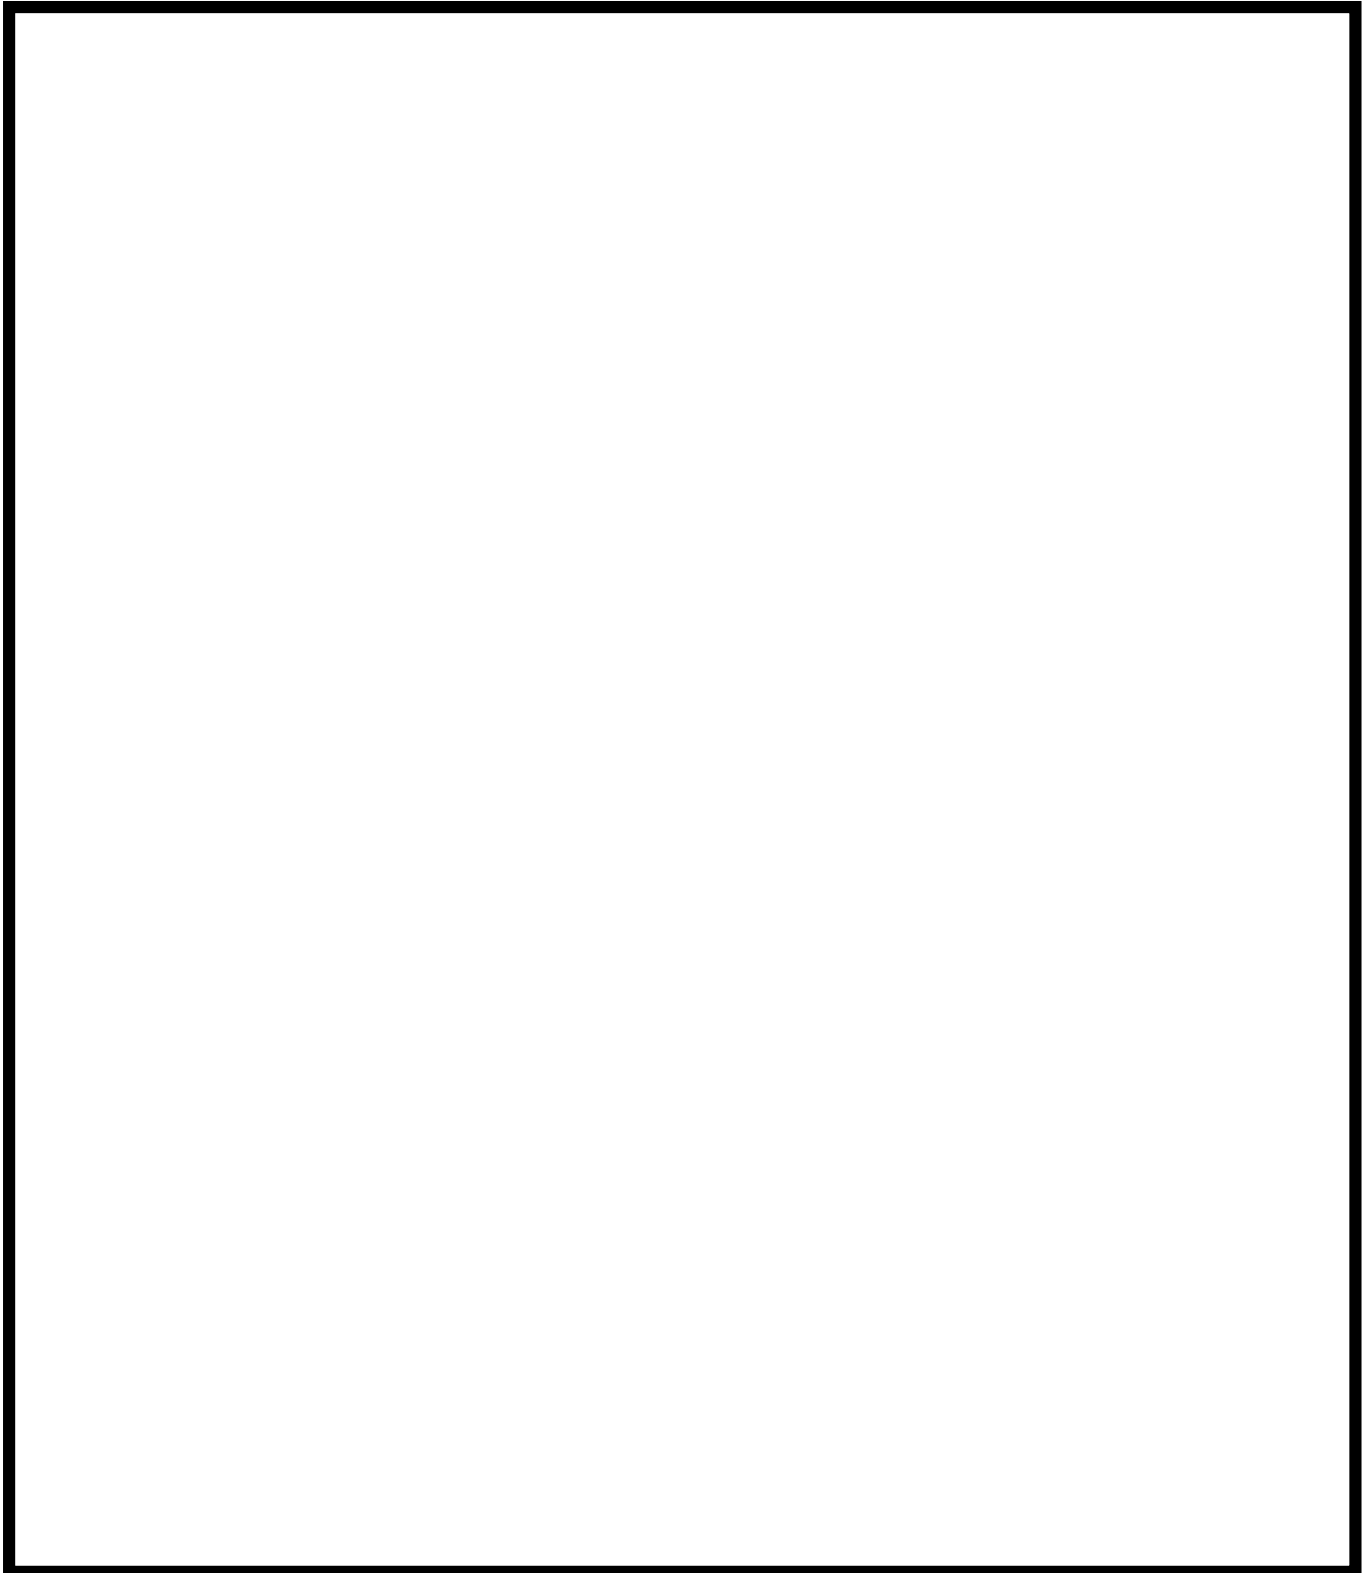

Here are some examples from last year.

| | Strongly Agree | Agree | Don't know | Disagree | Strongly Disagree |
|--|----------------|-------|------------|----------|-------------------|
| Did you enjoy your lesson? | ✓ | | | | |
| Did you learn anything new? | ✓ | | | | |
| Is the guitar an instrument that you would like to play in the future? | ✓ | | | | |
| Do you feel confident to play these chords on your own? | | ✓ | | | |
| Was the lesson easy to understand? | ✓ | | | | |

| |  |  |  |  |
|---|---|---|---|---|
| Did you enjoy the lesson? | | Yes | | |
| Did you learn a new skill? | Yes | | | |
| Can you do this your self now? | 1/2K | | | |
| Would you want to learn more about DJing in the future? | Yes | | | |
