Year 11 – Silver Arts Award – Part B – Review Arts Events – 3 Weeks Work

Hello everyone,

One of the missing pieces of work from your Arts Award Portfolio is Unit 1: Part C. This is very similar to the Part B of your Bronze award.

You have the choice of doing a review of a **Live Concert**, a **Documentary** or a **Film about music**.

You must watch the whole thing and then answer the questions at the bottom of the page about your chosen concert/film/documentary.

Please take the time to answer the questions carefully and expand on how it has impacted your creativity and musical interest. But mostly please enjoy this bit of work and allow it to inspire you.

I would like you to choose your own arts footage to review but I have included some examples if you are struggling to find your own.
