Create a song, poem or rap to help others remember the 7 continents of the world and the 5 main oceans.

If you don't know them you will have to research first!

Be creative! Write it...record it!

Anachronisms

Find out what an anachronism is and write it down. Go to this website:

http://www.bbc.co.uk/history/walk/games_index.shtml

Look at the pictures in the different places. Click on the odd items and send them flying down the time tunnel. Choose one era and write down the odd items and explain why they are odd. Create your own anachronism picture by adding odd items to an internet picture or draw your own.

Go to this website:

Create a short story using map symbols instead of words where you can.

Make sure you do a second version showing the answers to your symbols.

REWRITE HISTORY

Imagine that Edward the Confessor had a son who took over the throne when he died so the battle for the throne in 1066 never happened. How do you think life would have been different without the Norman influence? Look at these sites (and YouTube) to see the changes the Normans made.
