YEAR 9

Home Learning 2

This week you will be introducing yourselves to a new topic. This term we will be exploring something called 'Live Lounge'. Many of you may have heard of this before but if you haven't then here are a few examples of what 'Live Lounge' is.

'Live Lounge' is essentially a platform where famous artists can do their own versions of other people's songs.

- 1) Today you are going to start learning one of the songs below. How you learn it depends on whether you have an instrument at home or just access to the internet.

If you **DO** have an instrument at home then use the sheet music as we usually would in class.

If you **DO NOT** have an instrument then please follow this link:

<https://www.onlinepianist.com/virtual-piano>

This takes you to an online piano which you can use your keyboard keys to play. You can put the letter names on the keys by clicking 'letter notes' at the top of the screen. I recommend if you need to use the online piano then you only try the melody.

The Songs:

Radioactive – Imagine Dragons

Shape of You – Ed Sheeran

Black or White – Michael Jackson

Piano Chords – Letters going down in a line are played at the same time.
