

HOME LEARNING

Year 7 PSHE

Home Learning Week 2

Dear Year 7's,

We will be looking Money and Finance as a topic. I would like you to answer the following questions based on saving up.

Meet Joel.

Joel receives **£10 a week** pocket money. He is going to **spend £5** a week and **save the other £5**.

How many weeks will it take him to save for the following items? Write your answers in the ovals

Trainers

£65

T Shirt

£20

Gold Kazoo

☺ £39.99

DVD Box Set

£14.99

Horse Riding

£75

Basket Ball

£9.47

Challenge:

Think of an item you would like to own. What is it?

Price up this item on the internet. How much does it cost?

How long would it take you to save up for it based on your own pocket money?

If you do not receive pocket money imagine you have £8.00 a week.

Please send your completed work to lhunt@bower-grove.kent.sch.uk I look forward to giving you feedback and points ☺
