

HOME LEARNING

Class Year 8

Home Learning 4

This term you will be learning about electronic components and how to use a soldering iron. The project is to design and make a Bike Light or a Light for you to carry when it is dark.

TASK 2	Draw your design for you bike light in the box provided
<p data-bbox="247 969 558 1003">Here are some examples.</p> 	

Please submit this work to me at phiggins@bower-grove.kent.sch.uk. I am really looking forward to seeing what you have done. I will give you some feedback and for every piece of work I receive I shall give two Golden Tokens and select the best pieces to be published on the school website gallery.

If you have queries about this work, please contact me at
