

Mars Bar Cake

Equipment you will need: 2 x Mixing bowl, scales, wooden spoon, chopping board, knife, tablespoon, metal plate, baking tin

Ingredients:

2 mars bars – chopped – mixing bowl 1

75g butter or margarine – mixing bowl 1

300g rice Krispies – metal plate

1 tbsp golden syrup – mixing bowl 1

100g Chocolate to cover – mixing bowl 2

Method:

1. Place syrup, mars bars and butter in a microwave bowl and cook on high heat for 30 seconds at a time until melted.

2. Stir in the rice Krispies until all ingredients are combined.

3. Pour into the greased baking tin.

4. Melt the chocolate in the microwave, again for 30 seconds at a time.

5. Cover the mixture in the tin with the melted chocolate.

6. Refrigerate until set
