Can you tell me three things about Canterbury Cathedral?

-
-
-

Christian Worship

What we will find out:

- What benefit do Cathedrals have for society?
- Could the money have a bigger impact if spent elsewhere?

Durham Cathedral

Durham Cathedral was built not long after the Norman Conquest, in 1093.

It is known as one of the greatest buildings in Europe, and is famous for featuring as Hogwarts in the Harry Potter films! People travel long distances to visit because of this.

Durham Cathedral is also very important to the many Christians who worship there. There are regular events such as choir singing, bell ringing and church services which people regularly attend. In addition to this, people can go to Durham Cathedral to seek advice and pastoral care if they have something which is troubling them or are in need of advice or company.

Durham Cathedral also works with the local community. It is actively involved in encouraging primary school children to get involved in singing, and it also offers educational projects and visits for local education providers.

It also pays school fees for some of its choir.

Task One: Sum up two advantages of Durham Cathedral

I would like to see your work please send any pictures of your work to chiggins@bower-grove.kent.sch.uk
