

# HOME LEARNING

**Year 8**

## **Home Learning 4**

Last week you should have learnt another one of the parts to the Gamelan Sem arrangement.

A big thank you to those who sent in their work you can see the competition winner at the bottom of the page.

## **This Week**

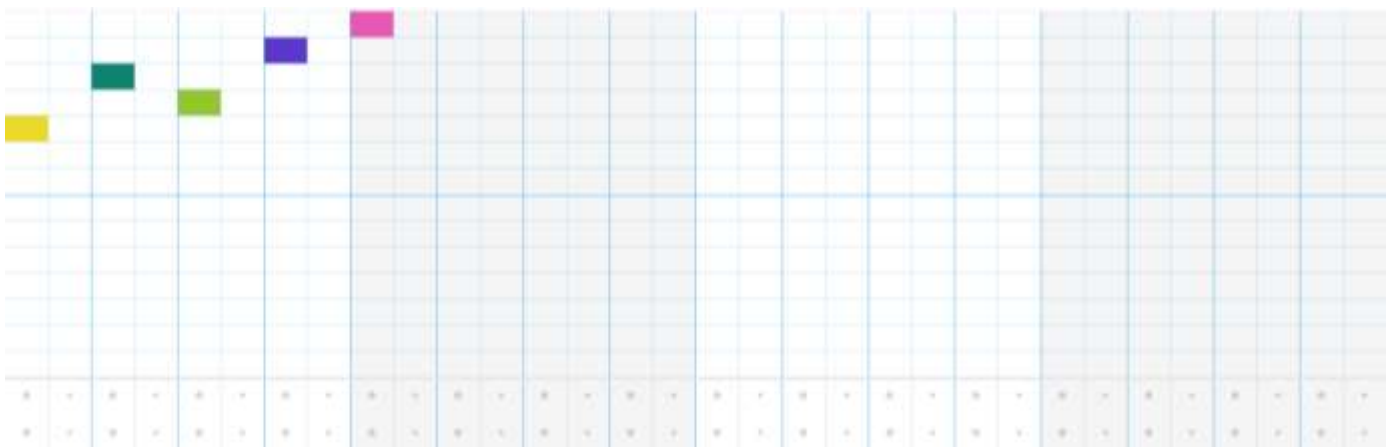

You are going to start composing your own Gamelan arrangement.

This week you are only going to compose the melody (main tune).

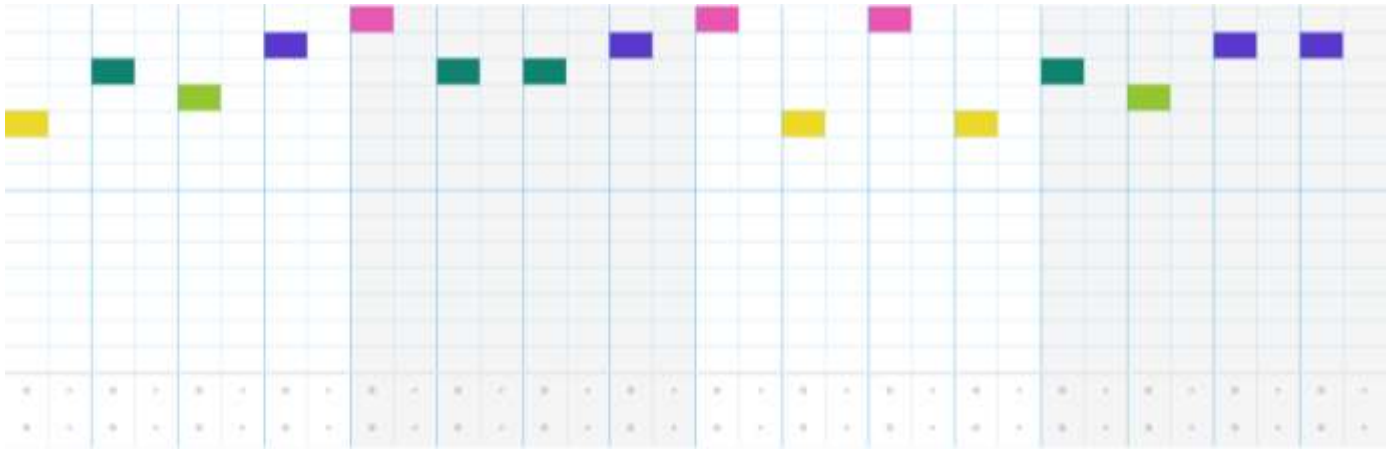

Similar to the melody you have already learnt it can only use limited pitches and all notes must be of equal length.

I have started you off here:

<https://musiclab.chromeexperiments.com/Song-Maker/song/6180427120246784>

Continue the melody ensuring you only use the pitches I have used (same colours) and you leave one block of space between notes like below.

Once you have composed your melody Click Save and then copy the link to email back to me at: [starkt01@klz.org.uk](mailto:starkt01@klz.org.uk)

I will then send feedback on how well you have done and how you could make it even better.
