Home Learning 4

Last week you learnt a theme and some variations of one of the most famous guitar riffs ever called 'Smoke on the Water'.

This week you will be doing the same but the theme is **Lean on Me**.

You will also use the melody maker used before to compose your own variation.

- 1) **Watch this video:** <https://www.youtube.com/watch?v=fOZ-MySzAac>

This is a reminder of the melody for Lean on Me.

- 2) You are going to use a keyboard (if you have one) or an online keyboard to learn the Theme and the Variations of Lean on ME.

Link for the online keyboard: <https://www.onlinepianist.com/virtual-piano>

You can use your computer keyboard to play the notes.

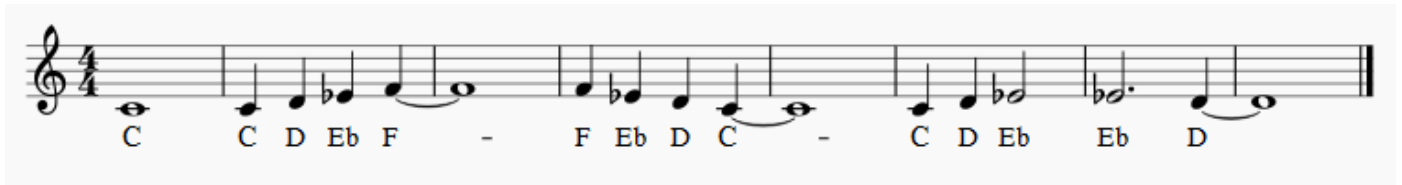

Theme

C C D E F - F E D C - C D E E D

Variation 1 (inverted)

C C B A G - G A B C - C B A A B

Variation 2 (minor/tonality shift)

Variation 3 (ornamentation)

Once you have played through these can you compose your own variation by changing the original melody?

Follow this link and send me the link to your variation back:
