

HOME LEARNING

Year 8 PSHE – Home Learning 7

This week I would like you to think about the people that you have good relationships with. People you might have missed during lockdown, or want to say thank you to, for what they have done for you these last few weeks.

Task:

I would like you to write either a letter or postcard to them and with your parents/carers permission, post it to them.

It could be to someone you live with, someone from your extended family, a friend, neighbour, teacher anyone!

You could tell them what you like about them, what you are thankful to them for or what you have been doing. You might like to draw a picture for them.

You could use the template below or create your own.

Go on make someone smile ☺
