

HOME LEARNING

Year 9 Learning Pack 9

If you are attending TEAMS lessons:

Work will be set during the lesson for you to complete. This will either be a Word document or a worksheet on STILE.

Please complete this and return to Mrs Thatcher on TEAMS or on STILE

If you are NOT attending TEAMS but working online:

Please visit my website www.onespecialscienceteacher.com and click on the home learning resources tab, select your class and the topic 'The periodic table'.

Read the information and watch the videos before going to www.stileapp.com and completing the worksheet for the lesson. These are the same lessons that pupils on TEAMS will be accessing.

The lessons for this learning pack are:

1. Mendeleev's table
2. Physical trends

To log in to STILE

You will need your email address is your first initial and surname e.g. Bob Smith would be:

bsmith@bower-grove.kent.sch.uk

All pupil passwords know their passwords.

If you need your password to be reset, please email me and I will reset the password and so you can set a new one

If you have queries about this work, please contact one of the Science Team
