

HOME LEARNING

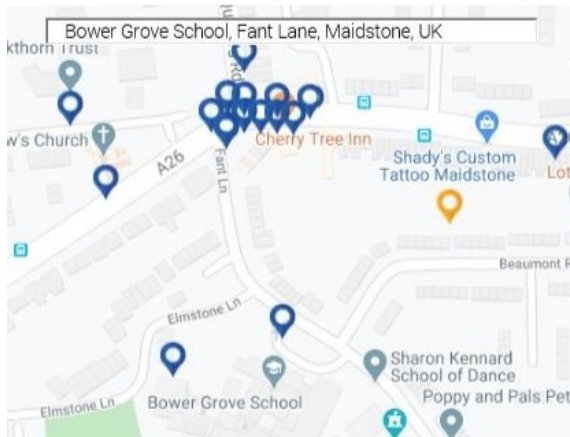

Year 11 PD

Home Learning 2

For this week's work and concluding our work on Road Safety and Driving responsibilities

Access the THINK Map at <https://www.think.gov.uk/thinkmap/>

Use the address for your preferred Post 16 provision eg. Canterbury college, Oakleigh 6th Form and identify the road traffic hot spots. Fill in the table below.

Blue pointers indicate minor collisions

Orange pointers indicate severe accidents

Red pointers indicate fatal accidents

If you wish you can click on the pointers to find out the exact times, dates and details of the incidents.

My preferred Post 16 Provision Location is _____

| Identified hot spot for most road traffic accidents | Identified hot spot for any severe road traffic accidents | Identified nearest hot spot for any fatal road traffic incident |
|--|--|--|
| Name of road | Name of road | Name of road |
| Number of incidents | Number of incidents | Number of incidents |
