

Year 7

This term we have been learning about money and finances. For your self-study work this week I would like you to:

Bronze - label each of these payment methods and describe how you use them.

Silver - label each of these payment methods, describe how you use them and include what is good about each method.

Gold - label each of these payment methods, describe how you use them and include what is good and bad about each method.

Picture & label	How do you use it?	Advantages? (good things about this method)	Disadvantages? (bad things about this method)
