

Year 9

Hello Year 9,

This term we have been learning about legal and illegal drugs the effects and the risks.

For Bronze / Silver choose between cigarettes, alcohol, marijuana, NOS Balloons, Ketamine or MDMA. Complete the instructions to create a poster or information leaflet.

Bronze - Include

- *a picture of the drug
- *a description of it and
- *information about the dangers and risks

Silver -

- *Include a picture of the drug,
- *its slang names,
- *how it is used
- *the effects and
- *the dangers and risks

Gold - You are a health professional. It is 1860. Cigarettes have started to be mass produced. Using your knowledge today - write a persuasive report to the government to stop the production of cigarettes and to have them made illegal.
