

Satellite Class

Online website/platforms that pupils use regularly in class to develop and extend their learning are listed below, you can find your child's username and password in the back of their contact book.

Try to complete at least 10 minutes on each site daily.

Websites for Interactive learning;

Times table practice		https://trockstars.com/	Remember to add the school postcode ME16 8NL
Bug Club reading books and phonics Science bug		https://www.activelearnprimary.co.uk/	Remember to add the school code Xhfh
Cross curricular games and activities		https://www.purplemash.com/login/	

In addition to these online activity's pupils must complete the following learning activities this week;

English

Listen to the story of the Wooden horse:

<https://www.storynory.com/the-wooden-horse/>

Pretend you are a Greek soldier who has been away from your family fighting. Write a letter home to your family to describe what is happening.

Maths

We have just completed our topic on ordering numbers and used the symbols greater than / less than / equals. Create a poster that will help you remember what these symbols mean.

< > =

Use a dice from a board game. Roll it twice and add the two numbers together; $3 + 6 = 9$, roll the dice again to make another number. Use the signs above to show which number is smallest or biggest. Complete this activity five times.

Science

Log in to your Active Learn. Go into 'My stuff' and click on Science Bug.

Can you find all of these bones on your body?

Either draw a skeleton and label the bones or ask a friend to draw around your body and label your outline with where the correct bones would be.

PRACTICAL TASK

Get Making!

Have a go at making your own horse using junk modelling or other construction equipment - You could use old cereal packets / lollypop sticks / straws / sticks from the garden / Lego.

<https://www.dltk-kids.com/world/greece/m-trojan.htm>

<https://ideas.lego.com/projects/fe3637c9-548a-45b5-9ed7-8723696172bd>

Please feel free to send me pictures of your child working on the various practical activities, including their finished products, you may also take photographs of any written work and email me these, I will then mark the work and reply with feedback.
