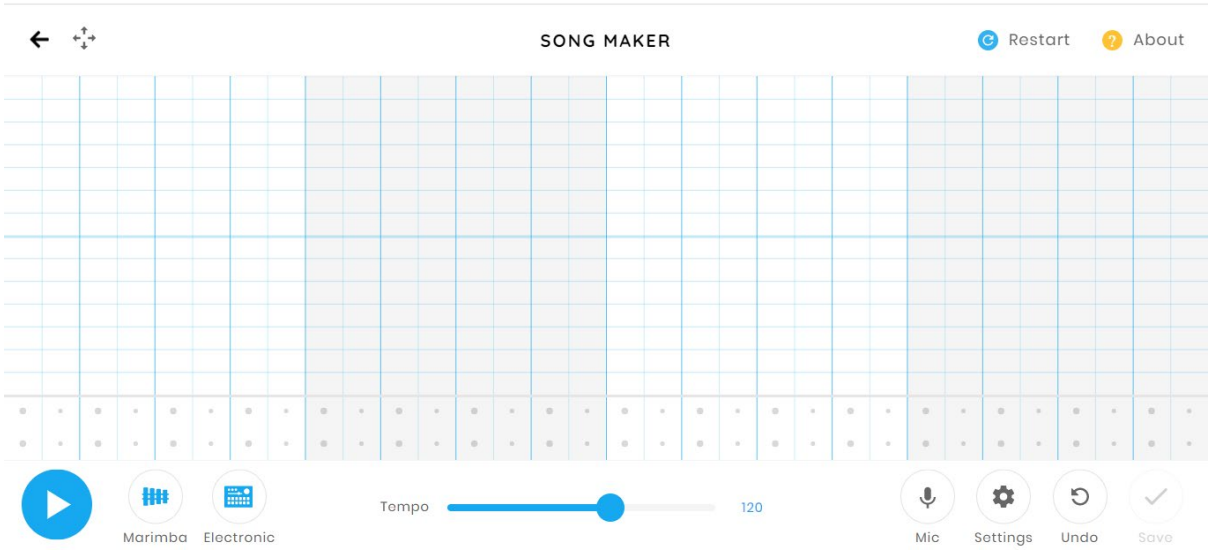
OAKS

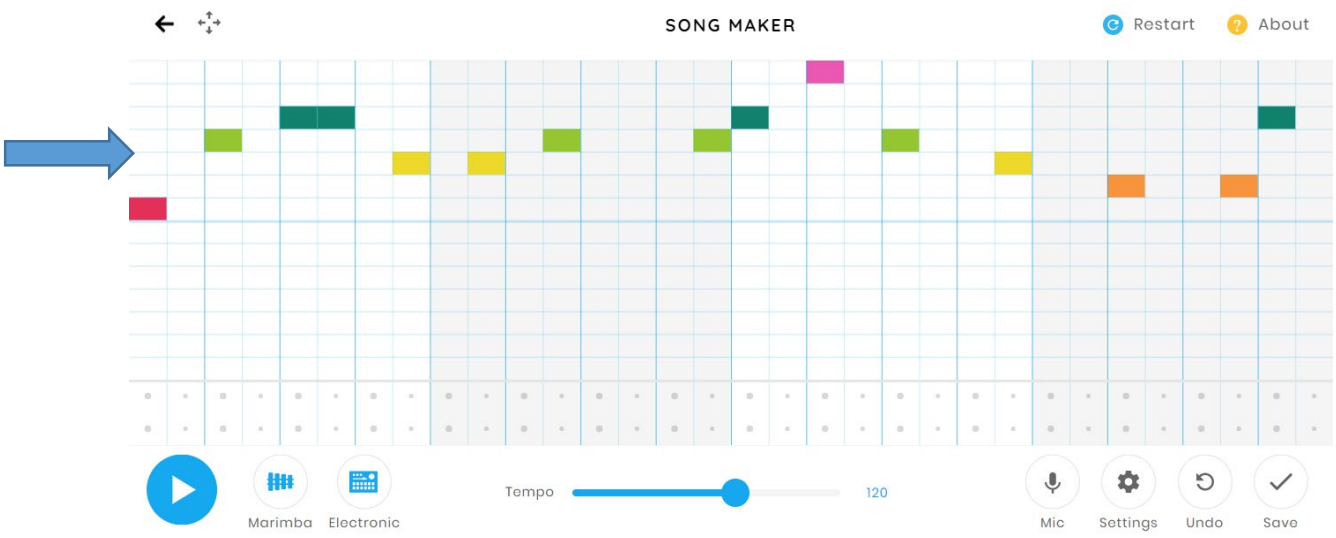
Week 1

This week you are to visit an online resource where you can make your own music. Follow this link: https://musiclab.chromeexperiments.com/Song-Maker/

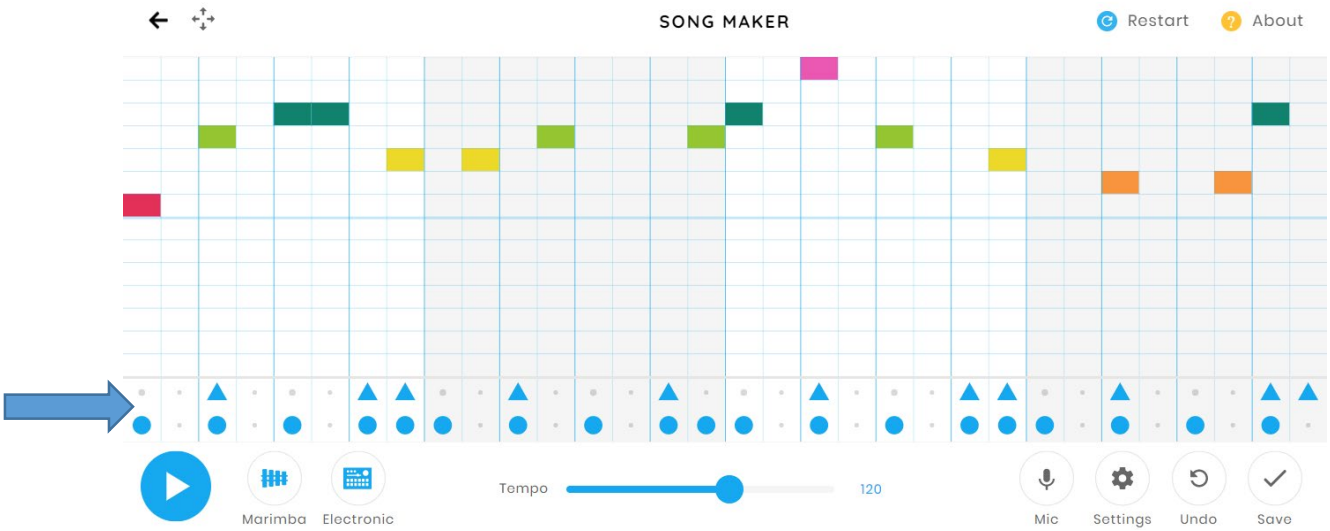
This is your main screen:



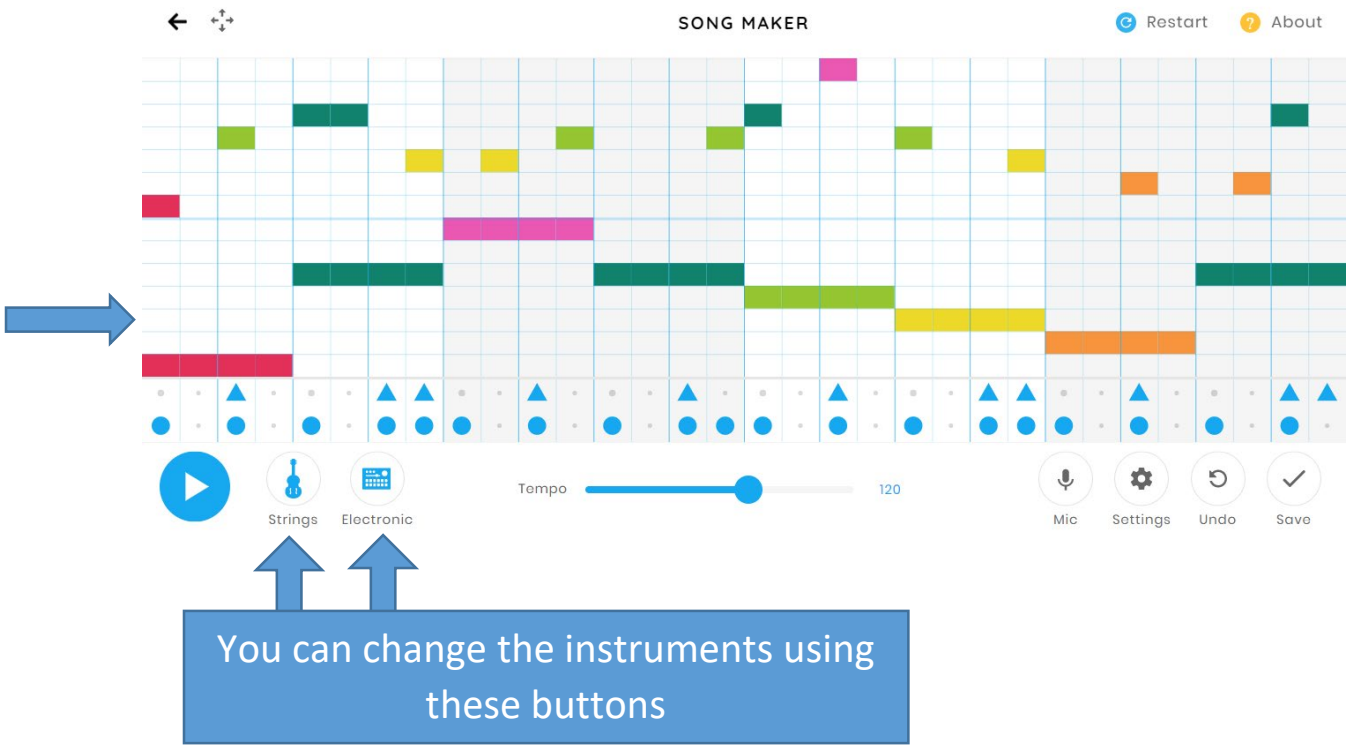
You can write a tune using different notes from lo to hi like this:



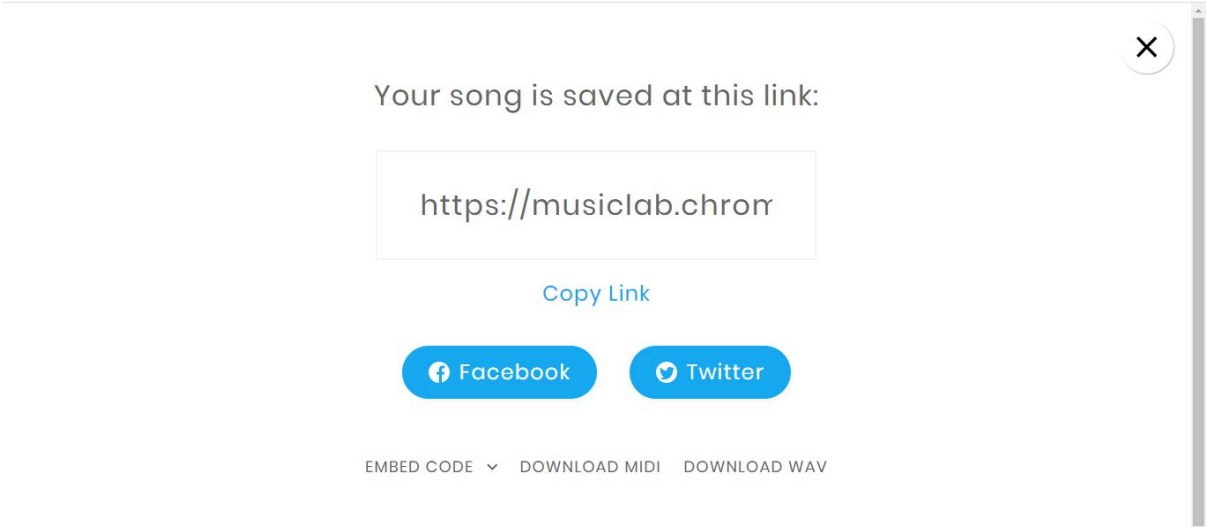
Then try adding a rhythm like this:



If you're feeling confident then try adding an accompaniment in the bottom boxes:



Once you are done click save and it will bring you to this page:



Click 'Copy Link' and then paste the link in an email to send back to me so I can hear your work. I look forward to listening to your compositions.

Here's an example of a finished piece:
