

HOME LEARNING

Year 7

Home Learning 3

This term you will be designing and making a traditional hand held game, using the skills you have learnt so far this year. When you return to school you will make the game from wood, mdf and acrylic.

<p>TASK 1</p>	<p>Research traditional hand held games and ball bearing games.</p>
<p>What are traditional hand held games?</p> <p>Here are some examples.</p>	
<p>How to research existing products.</p>	<ol style="list-style-type: none"> 1. Ask the adults and other children in your house what hand held games they have played with, show them the pictures above to help them remember. 2. Make a list of their answers and if you can go on the Internet safely, see if you can find images of the games they have suggested. 3. Draw at least two of the games they have suggested. 4. If you don't have the Internet, ask your family members to describe any games and try to draw them. 5. Keep the list and any drawings as this will help you with your design ideas.

Please submit this work to me Miss P Higgins, at phiggins@bower-grove.kent.sch.uk . I am really looking forward to seeing what you have done.
