

Pack A

Foxes Class

Online website/platforms that pupils use regularly in class to develop and extend their learning are listed below, you can find your child's username and password in the back of their contact book.

Try to complete at least 10 minutes on each site daily.

Websites for Interactive learning;

Maths challenges / Times table challenges and revision of previous topic.		www.sumdog.com	Remember to add the school code bgs12
Times table practice		https://trockstars.com/	Remember to add the school postcode ME16 8NL
Bug Club reading books and phonics Science bug	 Bug Club	https://www.activelearnprimary.co.uk/	Remember to add the school code Xhfh
Cross curricular games and activities		https://www.purplemash.com/login/	

In addition to these online activity's pupils must complete the following learning activities this week;

English

Task 1 - Create a front cover for a scary/adventure book, you must include a title, an image and the authors name.

Task 2 - Take a walk around your house and record how many books you can find? Is it more than 10? Are they fiction or Non-fiction? Draw a bar chart to record your findings.

Maths

Task 1 - Write a detailed diary for one day. Record what you are doing on the hour, i.e. 9 o'clock = eating breakfast, 10 O'clock dancing in my pyjamas.

Task 2 - Time yourself over one-minute. Completing 5 activities, e.g. how many hops can you do in a minute, how many Disney films can you name, how many songs can you think of, write your name as many times as you can (try to get your adults involved and make it a competition).

Science

Take a walk, list or take a photo of the living things you can see (not people). Do the trees have leaves on? Can you name the insects or plants? On your walk collect natural items and create a structure / building / armour that the Romans could have used.

PRACTICAL TASK

Get building!

You could build a lego model, a tower of playing cards of something else.
Send me a photo of what you have made.

OUTDOOR LEARNING

Remember the importance of getting outside if you can, a short walk, a bicycle ride etc. Talk about the changing seasons and the weather that comes with this – collect some leaves and make a leaf print.

Please feel free to send me pictures of your child working on the various practical activities, including their finished products, you may also take photographs of any written work and email me these, I will then mark the work and reply with feedback.
