

Pack A

## Hedgehog Class

Online website/platforms that pupils use regularly in class to develop and extend their learning are listed below, you can find your child's username and password in the back of their contact book.

Try to complete at least 10 minutes on each site daily.

Websites for Interactive learning;

Reading/Phonics

Maths

Computing

Times Tables

In addition to these online activities it is essential that children complete the following activities this week;

### English

Our theme for this term is flight. We are learning about the history of flight and the inventors that made the history books.

Find a picture of an aircraft on the internet or in a book. Copy this as carefully as you can and label five different parts.

If you could go on an aircraft where would you go? What would you like to do there? Draw a picture to show me.

### Maths

Money! Money! Money!

Complete a coin rubbing of each coin; 1p 2p 5p 10p 20p 50p £1 and £2

Practice learning the coin names through games such as Kim's game, hunt the coin or coin bingo.

Write out 1p 2p 5p 10p 20p 50p £1 and £2 on cards and practice matching coins to their values.

Make a pretend shop and practice using coins for shopping.

Research the security features on the British notes and the different pictures on our 50p coins.  
Practice finding totals using coins. How many ways can you make 5p 10p 20p 50p or £1?

### Science

Make a paper plane. How far will it travel?  
Try out different sizes and designs. Which one flies the furthest? Can you measure how far it travels?

### PRACTICAL TASK

#### **Get building!**

You could build a lego model, a tower of playing cards or something else.  
Send me a photo of what you have made.

### OUTDOOR LEARNING

Remember the importance of getting outside if you can, a short walk, a bicycle ride etc. Talk about the changing seasons and the weather that comes with this – collect some leaves and make a leaf print.

Please feel free to send me pictures of your child working on the various practical activities, including their finished products, you may also take photographs of any written work and email me these, I will then mark the work and reply with feedback.
