

Foxes Class

In Foxes Class we are keen for pupils to continue their learning at home. Below are some website platforms that can be used to support your child's learning, for those needing usernames and passwords you will find these in their home contact books (alternatively email Mrs Sinclair at the address below).

Try to complete at least 10 minutes on each site daily.

Websites for Interactive learning;

Maths challenges / Times table challenges and revision of previous topic.		www.sumdog.com	Remember to add the school code bgs12
Times table practice		https://trockstars.com/	Remember to add the school postcode ME16 8NL
Bug Club reading books and phonics Science bug		https://www.activelearnprimary.co.uk/	Remember to add the school code Xhfh
Cross curricular games and activities		https://www.purplemash.com/login/	

In addition to these online activities pupils must complete the following learning activities this week;

PACK B

English

Watch the story of Amelia Earhart

<https://www.youtube.com/watch?v=vN1o6u7Zo9A>

- Stop the story half way through and write down or draw a prediction to show what you think is going to happen.
- Write three sentences to tell me what you like and dislikes about this story.

Maths

Design your own clock, you must include the hour hand and the minute hand. Write the hours 1-12 and then the minutes 5-60 – use a different colour pen for this to help you know the difference. Send me a photograph of your clock showing the following times; 7 o'clock, 10 o'clock, 2.30 and 5.30. If this is too easy try quarter-past and quarter-to also.

Science

As you are a member of Foxes Class – write a fact file or complete the activity sheet below to show what you know about foxes.

Habitat Fact File Activity

Animal: mammal bird amphibian reptile fish

Name: _____

Habitat:

<input type="radio"/>		<input type="radio"/>		<input type="radio"/>	
	rainforest		ocean/beach		desert
<input type="radio"/>		<input type="radio"/>		<input type="radio"/>	
	arctic		mountains		river
<input type="radio"/>		<input type="radio"/>		<input type="radio"/>	
	field		woods		grasslands

PACK B

PRACTICAL TASK

Follow a step by step YouTube video on how to draw a fox.

This YouTube presenter has a large range of simply step by step drawings for children. Please feel free to draw as much as you would like. The channel is called Art for Kids Hub.

Please feel free to send me pictures of your child working on the various practical activities, including their finished products, you may also take photographs of any written work and email me these, I will then mark the work and reply with feedback.
