

Pack B

Tadpole Class

The Early Years ethos is that children learn through play and new experiences, therefore activities such as; playing board games with your child, doing jigsaws together, creative modelling, reading stories and undertaking fun role play together should not be underestimated.

Below is a website that can be used to support your child's learning in reading and phonics, the usernames and password for this is in your child's home-school planner.

Websites for Interactive learning,

In addition to these online activities it is essential that children complete the following activities this week;

English

Bug club (**School code: xhfh**) – <https://www.activelearnprimary.co.uk/home>

Write a postcard to Mrs Gough or draw her a picture to say how you are feeling about your home learning - just like Paddington Bear did for his Aunt Lucy. You can choose to:

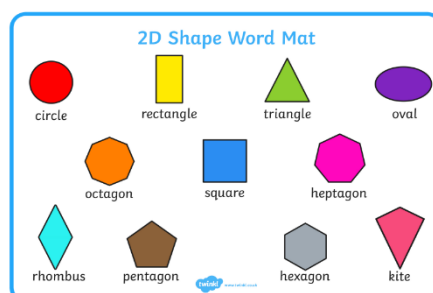

- Write 3 sentences on what you are enjoying. An adult could write this for you if you tell them what to write.
- Draw a picture of you at home or a London Landmark.

Maths

Activity 1

Look around your house and see how many shapes you can find. Please write down how many of each shape you see.

Activity 2

Take a look at the websites below;

- <https://www.ictgames.com/mobilePage/index.html>
- <https://www.topmarks.co.uk/Interactive.aspx>

Topic

Follow a step by step YouTube video on how to draw a tadpole.

<https://www.youtube.com/watch?v=c8S-xslCLe8>

This YouTube presenter has a large range of simply step by step drawings for children. Please feel free to draw as much as you would like. The channel is called Art for Kids Hub.

PRACTICAL TASK

Make a sandwich at home. If you have marmalade, please make a marmalade sandwich like Paddington.

What does your sandwich taste like?

Did you like it?

Other Websites

BBC Bite Size Key Stage One

<https://www.bbc.co.uk/bitesize/levels/z3g4d2p>

Tadpoles Class have always enjoyed number blocks. Here is a link to BBC IPlayer.

<https://www.bbc.co.uk/iplayer/episode/m00029t7/numberblocks-series-3-26-thirteen>

Please feel free to send me pictures of your child working on the various practical activities, including their finished products, you may also take photographs of any written work and email me these, I will then mark the work and reply with feedback.

Once these tasks have been completed please work through your child's home learning pack for further activities.
