Dear Parents and Guardians

As part of the Key Stage 1 and 2 curriculum there are often many opportunities to extend pupils' lessons by going off the school site to undertake activities in the nearby locality. This might involve going on short visits, trips to local shops or to places within the Maidstone area. This is particularly relevant in subjects where pupils are encouraged to work independently through topics and need to gather information from outside the school environment.

We are writing to ask your permission to take your child out of school for these local offsite activities. We will inform you about trips and outings, which are classed as adventurous or further afield separately.

Please do not hesitate to contact the class teacher or myself if you have any queries about this matter.

Yours sincerely

Mrs M Brackstone  
Assistant Head Teacher
