

We very much welcome the support of employers or business individuals to help our students gain further knowledge and experience of the world around them and the skills required for different jobs and careers.

Employers can help in a number of ways for example:

- Careers Talks
- Skills Workshops
- Business Enterprise Challenges
- Attending our careers fairs and events
- Offering work shadowing, visits to the work place and work experience placements
- Showcasing your supported internships or supported apprenticeships
- Sponsoring of sports teams
