

February Homework Tasks

Which will you choose to earn yourself 20 house points?

Chinese New Year

17th February

It is the year of the horse this year. Find out what year the people in your house were born, find out their animal and create a poster to show the information.

- Try some Chinese food and take a photo. What was your favourite?

Ramadan

17th February - 21st March

Create some rice krispie treats in the shape of moons and stars.

Challenge yourself to complete an act of kindness each day of the half term. Write your own kindness log.

To be handed in by
26th February 2026

Rice Krispie Recipe

You will need:

Rice Krispies
Marshmallows
Butter

A greased baking tray
A spatula/wooden spoon

A bowl

A saucepan

Cookie Cutters - moon and star

In a nonstick pot, melt the butter over medium heat. (Ask an adult to help you) Add the marshmallow and stir to completely melt and combine with the butter.

Remove from heat and add the rice cereal. Stir gently but thoroughly with a rubber spatula to cover the cereal completely.

Press into the greased tray.

After pressing the mixture into the greased pan, use the cookie cutters to shape the treats while the mixture is still warm. Place the cut shapes on a sheet of wax paper to set. Continue to cut out the shapes until you've finished the tray. Gather the scraps and press together to cut out more shapes. Continue to do so until you've used up as much of the mixture as possible.

February Homework Tasks

Which will you choose?

Pancake Day

17th February

Make your own pancakes and try a new topping. Take a photo of your creation.

Writing Challenge

Write a story based on this picture.

Polar Bear Day

26th February

Create a model polar bear from a toilet roll tube or a hand print drawing.

Use a youtube video to learn how to draw a realistic or cartoon polar bear.

POLAR BEAR
