2026 -2027

Navigators: Honeybees

BOWER GROVE SCHOOL

Term 1

Communication and Language- Speaking skills, Attention skills

Personal, Social and Emotional development- Developing Self-confidence

Physical Development- PE - Gymnastics & Sensory

Computing – Using Computers Safely 0

Literacy- All About Me

Mathematics- Number Bonds to 5, one more and One Less

Understanding the World- Naming Body Parts, Baby to Me

Expressive Art and Design Art- Exploring different materials, self portraits Music **–** Songs and Rhymes

Term 2

Communication and Language- Speaking skills, Attention skills

Personal, Social and Emotional development- Recognizing Feelings, Building Relationships

Physical Development- PE - Gymnastics & Ball skills (feet)

Computing – Foundation Skills

Literacy- Traditional Tales and Christmas

Mathematics- 2 D shapes, Patterns

Understanding the World- Changing Seasons

Expressive Art and Design Art- Observational drawings, Junk Modeling Music –Exploring musical elements Christmas Performance

Term 3

Communication and Language- Speaking skills, Attention skills

Personal, Social and Emotional development- Developing Self-confidence

Physical Development- - Ball Skills & Parachute games

Computing – Computer Technology Around Us

Literacy – Dinosaurs

Mathematics- Counting and suberizing within 10, Comparing Mass and Capacity

Understanding the World- Animals in the past, fossils and our world

Expressive Art and Design Art- Shapes representing Objects Music- Exploring musical elements

Term 4

Communication and Language- Speaking skills, Attention skills

Personal, Social and Emotional development- Developing Self-Confidence

Physical Development- -Ball Skills, Attack and Defense

Computing – Data 0: Collecting and Representing Data

Literacy- Transport and Journeys

Mathematics- Compare Length and Height, Time

Understanding the World- Local environment and Travel, Polluting and Road Safety

Expressive Art and Design- Art- Observational Drawing, Collage Materials Music- Exploring musical elements

Term 5

Communication and Language- Speaking skills, Attention skills

Personal, Social and Emotional Development-Developing Social Communication Skills

Physical Development- -Ball Skills and Locomotion

Computing – Algorithms 0: 2Go and BeeBots

Literacy- Wild Animals

Mathematics- Identifying Teen Numbers, Addition and Subtraction

Understanding the World- Animals and their babies, habitats, and what they eat

Expressive Art and Design- Art- Drawing, Weaving natural materials Music **–** Dragon Scales

Term 6

Communication and Language- Speaking skills, Attention skills

Personal, Social and Emotional development- Developing Self-Confidence

Physical Development- -Athletics, Health and Wellbeing

Computing – Programming 0: Coding

Literacy- Pirates

Mathematics- Counting to 20, Doubles

Understanding the World- Comparing where we live to other countries and the weather

Expressive Art and Design- Art- Discussing Art, Weaving Music - Exploring musical elements
